SILVER BEACH

LAKESIDE CLUB LIVING IN THE HALIBURTON HIGHLANDS

Update: February 1, 2009: Silver Beach Site Servicing well underway.

Great progress was made last fall with the complete site being prepared, various aggregate materials stockpiled and Pond excavation nearly complete. First thing in the spring, the water treatment and distribution system, the sanitary sewer system and road work is scheduled to begin. The first units are expected to be under construction by June, with homeowner occupancy starting in October, 2009.
