SILVER BEACH

AN EXCLUSIVE COMMUNITY OF LUXURY HOMES ON
HALIBURTON'S PRESTIGIOUS FIVE-LAKE-CHAIN

After six years of meticulous planning, the new community on Kashawigamog Lake, more commonly known as Silver Beach, is now a reality. As of March 2010 there are currently 16 of the 59 new homes under construction and the new residents can't wait to move into their new homes.

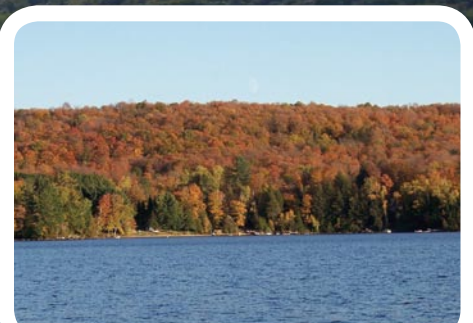

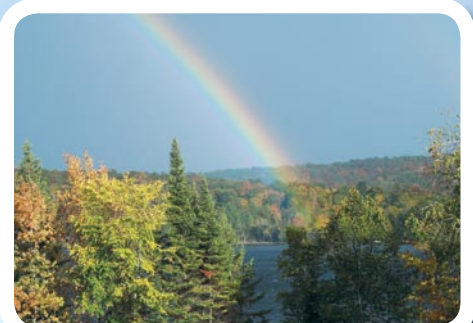

Neil and Carol Beattie from Mississauga said " We think Silver Beach is a beautiful location, the homes are spectacular and the professionalism and quality of workmanship are second to none. We are absolutely thrilled to be a part of this exciting new community."

Developer, Gerry Kowalski is very proud of the success of Silver Beach and says "This is a total team effort. We have all highly skilled trades who ensure that our high level standards are always exceeded. And , even beyond the construction, the people that are purchasing here are such a great group, that this will be the signature lakeside club development in cottage country."

This premier lakeside development offers a unique low maintenance lifestyle, a fabulous private 5000 s.f. Clubhouse, Sand Beach, Boat Docks and a charming wooded trail / cart path to the nearby Pinestone Resort and 18 hole Golf Course.

Now under construction, Silver Beach has a selection of move-in Models still available, and a wide choice of lots with breathtaking pond and lake views as well as some larger private lots still available.

The future of lakeside condo living is here and now, and it's only at **SILVER BEACH.**
